

20 AI Prompts for Ad Copy & Creatives

Bonus 5 · Meta Ads Mastery by Rishabh Shukla

Copy any prompt below into ChatGPT, Gemini, or your favourite AI tool. Replace [product], [audience], and [pain point] with your own details.

Ad Copy Prompts (1–5)

- “Write 10 Facebook ad headlines for [product] targeting [audience] in India, mixing curiosity, benefit-first, and social-proof styles.”
- “Create 5 ad copy variations using the AIDA formula for [product], focused on [pain point].”
- “Write 3 ad captions for [product] that open with a bold question an Indian buyer would relate to.”
- “Turn this customer review into a short, natural-sounding ad caption: [paste review].”
- “Write a comparison-style ad that contrasts [old way of doing X] with [product] as the better solution.”

Visual & Creative Prompts (6–10)

- “Describe a scroll-stopping first frame for a Reel selling [product] to [audience] in India.”
- “Suggest 5 before-and-after visual concepts for [product] suited to Instagram Reels.”
- “Write on-screen text overlays (max 6 words each) for a 15-second UGC-style video ad for [product].”
- “Generate a shot list for a 30-second testimonial-style video ad for [product].”
- “Suggest a Canva carousel structure (slide-by-slide) to showcase [product]’s key benefits.”

Video & Reels Script Prompts (11–15)

- “Write a 15-second Reels script for [product] using the Problem-Agitate-Solve format.”
- “Write a UGC-style unboxing script for [product] that sounds like a real customer talking.”
- “Write a founder-style, to-camera script explaining why you built [product/brand].”
- “Write a 3-hook variation set (different opening lines) for the same underlying video script about [product].”
- “Write a script for a ‘day in the life’ style Reel that naturally features [product].”

Retargeting & Email/WhatsApp Prompts (16–20)

- “Generate 10 retargeting ad ideas for people who visited my store but did not buy [product].”
- “Write an abandoned-cart WhatsApp message for [product] that creates urgency without sounding pushy.”
- “Write a 3-email cart recovery sequence (1 hour, 24 hours, 72 hours) for [product].”
- “Write a post-purchase upsell message offering [complementary product] to a customer who just bought [product].”
- “Write a Shopify product description for [product] that converts Indian buyers, in under 150 words.”
